July 2021

EUPHAnxt Newsletter

*Dear **EUPHAnxt subscribers,***

Welcome to the July edition of the EUPHAnxt newsletter! If you are new to our network, [welcome!](#) In these newsletters, we share events, news, and vacancies that are relevant for you, the next generation of public health professionals.

EUPHAnxt Summer Event is here!

July 8, 2021 at 5pm CET

This week, the EUPHAnxt summer event is taking place, open to our network and anyone interested, for free! The theme for the event is climate change and emerging and re-emerging infections. Read more about the event below and [register here!](#)

(NOTE) If you have any recommendations for the next newsletter, please submit the details to Charlotte at info.euphanxt@eupha.org. And if you wish to receive the newsletter directly to your inbox, and avoid it going to spam, please add info.euphanxt@eupha.org to your contacts.

Have a great upcoming month,
The EUPHANxt team

Our Mission

- **Create a network** between young professionals interested in public health and health related fields, to advance information sharing and international collaboration

Strengthen the presence of young professionals in the European public health community by facilitating their contact to relevant public health professionals and by providing them with opportunities to further advance their academic skills

- **Build collaborations** with associations of young professionals to broaden the EUPHANxt network and represent the diverse aspects of public health
