

United Action Against Cancer

from grassroots to government

**Launch of Cancer Screening Guide
and roundtable candid conversation
hosted by WHO Cancer Ambassador
Aron Anderson**

**02 February 2022
17.00 – 18.30 CET**

WHO/Europe is launching a short guide to cancer screening to help countries decide when it is appropriate to screen for cancer.

The launch will take place as part of a virtual roundtable event hosted by adventurer, cancer survivor, and WHO Cancer Ambassador, Aron Anderson. Policy and clinical leaders will be invited to discuss the challenges they face in progressing the cancer agenda and what gives them hope.

This event is for policy makers and anyone working on or impacted by cancer. It will be conducted in English with Russian interpretation.
