**European Public Health WEEK launches in Brussels  
with roundtable discussion and live streaming**

Join us in celebrating the start of the first ever European Public Health WEEK!

The initiative aims to raise the visibility of public health and encourage collaboration between professionals and citizens working for better public health in more than 50 European countries.

The five themes of the EUPHW 2019 are:

- Monday 13 May - Becoming, being and remaining physically active
- Tuesday 14 May - Healthy environments
- Wednesday 15 May - Care 4 Care
- Thursday 16 May - Sustainable and healthy diets
- Friday 17 May - Youth mental health

Venue and live streaming details and full list of speakers to be announced.
