

# Abstract submission - Mid-term EUPHA-HIA Conference 2025

---

Organizers call for submission of abstracts for pitch presentations in the following main streams:

- Institutionalization of HIA across Europe: practical examples, policy mobilization
- Using HIA inside and outside the health sector
- Role of HIA in achieving HiAP and the SDGs: practical examples and policy mobilization
- Integrating health in other impact assessments
- HIA and urban planning
- Capacity building in HIA
- Evidence and methods for HIA

All abstracts must be submitted and, if accepted, must be presented in English.

All abstracts have a limit of 2,000 characters, including spaces. The title, keywords and authors' information are not included in that limit. If you exceed the character limit, the system will not accept the abstract.

Graphics or tables cannot be accepted because of production limitations.

Abstract titles should be in lower case, except the first word, abbreviations and countries. Do not use capital letters only and avoid using abbreviations or acronyms. Give geographic location and dates if applicable.

Author and co-author: you can include up to 10 co-authors. Please follow the instructions carefully and make sure that all fields are completed. Please make sure that you use the English version of the institute, town and country. Spell out the full name of the institution and do not use abbreviations such as 'Univ.' for 'University'. Please make sure that the presenting author is also listed under authors.

Presenter: a submitter is a default presenter. You may change the presenter by entering another email. Please note there is a limit of 2 abstracts per one presenter.

**MORE DETAILS HERE: (DRAFT PROGRAM)**
