

Preconference 7th European Public Health Conference

Adaptation of health promotion and disease prevention interventions for migrant & ethnic minority populations: policy, practice and research.

Wednesday 19 November 2014 (12.30 -5.00 pm)

and Thursday 20 November 2014 (9 - 12 am)

Scottish Exhibition and Conference Centre, Glasgow, Scotland, UK

Organised by EUPHA section on Migrant and ethnic minority health in partnership with EUPHA sections on Chronic diseases and Health promotion.

In collaboration with Scottish Health Migration and Ethnicity Research Strategy Steering Group, West of Scotland Health and Ethnicity Network, and Edinburgh Ethnicity and Health Research Group.

Aims:

1. In the tradition of past Migrant and Ethnic Health Section pre-conferences, with reference to the theme of the meeting, to provide an overview of national policy on migration, ethnicity and health in the hosting nation (Scotland).
2. To share experience on the pre-conference theme, with the intention of furthering a common agenda across European countries and EUPHA sections.

Programme Wednesday 19 November 2014 (pm)

12.30 – 1.30 Lunch (provided) and networking
