

Successful health innovation: from what to how

Hans Kluge, Director
Health Systems and Public Health
WHO Regional Office for Europe

Innovate: infinitive on WHAT

Innovation is integral to systems

Include – improving coverage, access and financial protection for everyone

Invest – making the case for investing in health systems

Innovate – harnessing innovations and systems to meet people's needs

But HOW do we integrate innovations?

Transforming services in England

“Biggest national move to integrating care of any major western country”

- Focus on service improvements & outcomes
- Co-produce
- Test plural models
- Evolution and adaptive change
- Back energy and leadership

Peter Walsh, NHS England,
12 July, Durham

Transforming services in Belgium

Pedro Facon, Ministry of Health of Belgium,
12 July 2017 in Durham

Lessons learned in implementing change

- A goal is not a vision is not a plan
- Need to adapt to political pressures
- Need to focus on content and process
- Practice what you preach
