

11<sup>TH</sup> EUROPEAN PUBLIC HEALTH CONFERENCE  
28 NOVEMBER – 1 DECEMBER 2018  
CANKARJEV DOM, LJUBLJANA

PUBLIC HEALTH RESOURCES - CORE CAPACITIES TO ADDRESS  
THE THREAT OF COMMUNICABLE DISEASES

*Plenary session – Friday 30 November, 9:40-10:40*

This one-hour session will debate what essential public health capacities and capabilities are needed to effectively address prevention and control of communicable diseases in the Europe. The session will start with a keynote speaker, followed by a lively expert panel discussion reflecting different perspectives: policy, education and training, practice perspective, including an example of good practice. How to ensure the development of competent and effective public health workforce able to address the issues related to emergency preparedness and response in times of new and evolving paradigms?
