

12TH EUROPEAN PUBLIC HEALTH CONFERENCE

20 – 23 NOVEMBER 2019

MARSEILLE CHANOT, MARSEILLE, FRANCE

ABSTRACTS

We thank all colleagues for submitting their abstracts. We received an all-time record of 2,025 abstracts for individual presentations (oral, pitch, e-posters) and 150 abstracts for workshops. Abstracts are now being reviewed by the 90 members of our International Scientific Committee (ISC). We are grateful to the ISC members for their good work. Without it it would not be possible to guarantee the high scientific quality of the conference. The review results will be announced by mid-June. Check your emails.

DIGITAL PUBLIC HEALTH

This year, we are delighted to join forces with the International Digital Public Health (DPH) Conference series. The DPH Conferences are world leading annual interdisciplinary events aiming to improve public health through the application of novel technology at the personal, community and global levels. For those with work of a technical focus (e.g. computer science, data science, big data systems and analysis, development of technology), we recommend submitting your paper/abstract through the [DPH submission system](#). Deadline for submissions is 25 May 2019.

THEME: BUILDING BRIDGES FOR SOLIDARITY AND PUBLIC HEALTH

Main theme of the conference is **'Building bridges for solidarity and public health'**. [More information](#)
