1. Raise your organisation's profile at the 14th EPH Conference

In November 2021, the 14th European Public Health (EPH) Conference is being organised where you can reach over 1,500 international delegates attending a fully packed programme over three days. At the EPH Conference 2021, keynote speakers from international standing and varying disciplines will address a broad range of public health issues.

The EPH Conference 2021 offers you exceptional opportunities to network, raise your profile in the public health community and gain valuable access to influential opinion-leaders, policy-makers and researchers. The conference language is English.

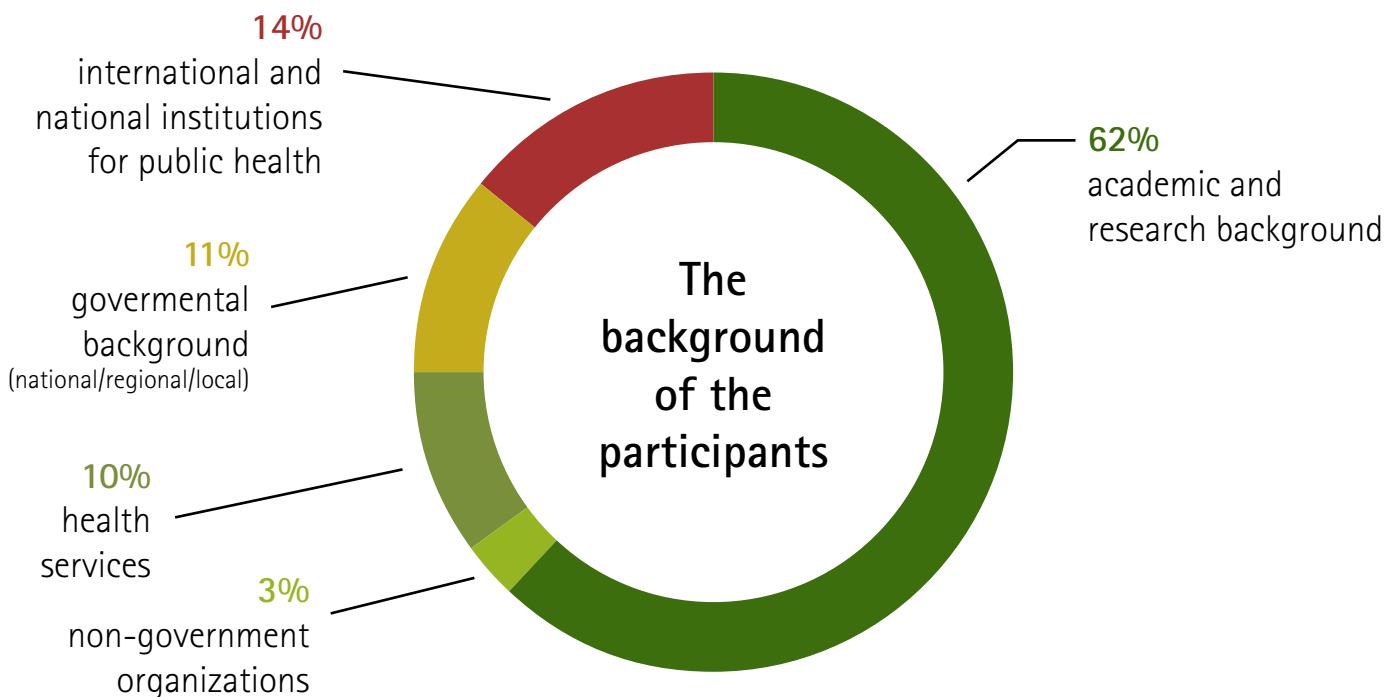

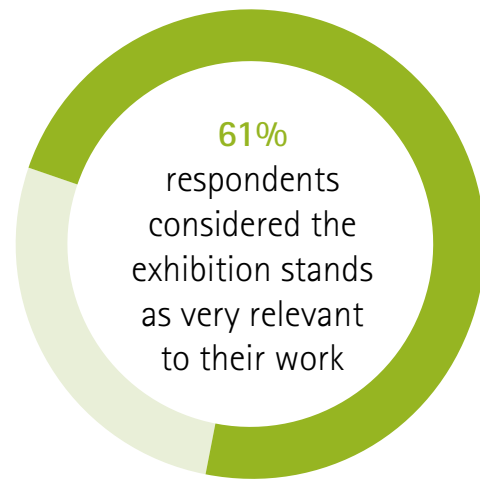

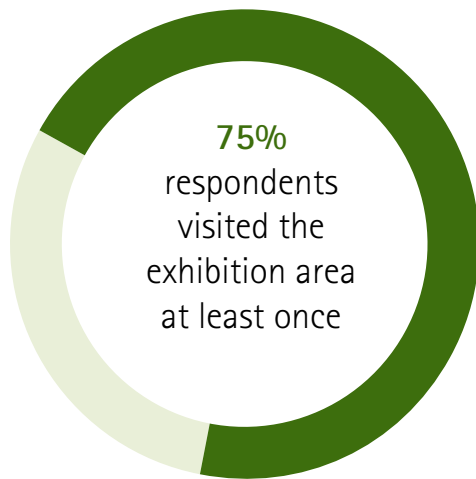

This high-level event provides the perfect opportunity to network with public health professionals, researchers, education specialists, policymakers and representatives from international and European organisations.

Becoming a co-organiser, sponsor or exhibitor at EPH Conference 2021 will enable your institute or organisation to demonstrate its expertise and showcase its innovative approach and activities, maintain visibility with delegates and create new contacts in the European public health community.

3 ■ About us

The 14th European Public Health Conference is organised by the EPH Conference Foundation, a non-governmental and not-for-profit organisation, established at the initiative of the European Public Health Association (EUPHA) which is also a co-organiser of the conference.

EPH Conference Foundation

The mission of the EPH Conference Foundation is to contribute to promoting greater health and well-being for the population in Europe by organising scientific conferences on public health in Europe on an annual basis. The conferences bring together public health professionals, researchers, education and training specialists and policy makers from across Europe and beyond to develop new thinking and find meaningful solutions for future health challenges.

In organising the conference programme, the EPH Conference Foundation works together in partnership with a wide array of international public health organisations. Over the years, the EPH Conferences, which started as EUPHA Conferences more than 25 years ago, have grown into the largest annual public health event in Europe.

European Public Health Association – EUPHA

EUPHA is an umbrella organisation for national public health associations in Europe. EUPHA is an international, multidisciplinary, scientific organisation, bringing together around 25,000 public health experts from all European countries. EUPHA unites 41 national associations of public health and 29 institutional members from about 40 countries. EUPHA aims to be a leading scientific and independent voice in the field of public health and health services by building capacity and knowledge in the field of public health and health services and by supporting practice and policy decisions through scientific evidence.

EUPHA is dedicated to working in partnership with European and international intergovernmental and non-governmental organisations as well as with national institutes and organisations that are aligned with EUPHA's values and commitment to improve current and future health in Europe. In 2020, EUPHA has set up partnerships with 15 international organisations.

7 Virtual Exhibition and Advertisements

The virtual platform of the EPH Conference 2021 will contain a customisable exhibition page to spotlight our sponsors. The page can be built to your individual needs including a background and logo, a slideshow, texts and links to other pages or external websites.

The sponsor page offers many ways to increase your sponsor revenue through a range of customisable features and placements. Fill your page with information and slideshows to get the attendees' attention and include links to your sessions, website or social media pages as a way to get in touch.

These are the options available:

- ✓ Clickable banner or sponsor logo with background image
- ✓ Detailed information: reports, brochures, videos
- ✓ Slideshow images
- ✓ Links to external websites and contact details
- ✓ Chat with delegates
- ✓ Links to sponsored sessions and exhibitions

An exhibition stand remains the most effective way to demonstrate new products, disseminate information and attract interest from new and existing contacts. From previous EPH Conferences we know that delegates consider the exhibition area an essential feature of the Conference.

8. Code of Good EPH Conference Foundation practice

for the collaboration with partners and commercial contributors

The EPH Conference Foundation is dedicated to clear governance and transparency. The purpose of this code is to organise the relationship between the Foundation and partners and commercial contributors and to provide an ethical and positive approach to co- operation and partnership.

Funds are not acceptable from partners and commercial contributors whose activities include those incompatible with broader public health objectives (for example, tobacco products and arms manufacturers). The acceptability of donations from partners and commercial contributors whose activities are related to the work of the Foundation should be determined in accordance with the present code.
