Co-organized by

# Our Food, Our Health, Our Earth: A Sustainable Future for Humanity

The annual EPH conferences are considered the premier European gatherings of public health professionals worldwide. Delegates include researchers, policymakers, practitioners and educators in public health and many other related fields.

### SHARING KNOWLEDGE

The 16th EPH Conference offers excellent opportunities to learn from the latest research, policies and practice, to network with experts and colleagues and to expand your professional horizons. Abstracts will be invited for workshops and single presentations on all areas of public health research, practice and policy as from 1 February 2023.

Main theme of the conference is **Our Food, Our Health, Our Earth: A Sustainable Future for Humanity**

### NETWORKING

The conference offers excellent opportunities for professional networking and for making and renewing friendships. The social programme includes a welcome reception and a conference dinner.
