

## 16TH EUROPEAN PUBLIC HEALTH CONFERENCE

8 - 11 NOVEMBER 2023, DUBLIN, IRELAND

OUR FOOD, OUR HEALTH, OUR EARTH: A SUSTAINABLE FUTURE FOR HUMANITY

### NEW: PRE-CONFERENCE ON PUBLIC HEALTH IN DUBLIN

When in Dublin for the EPH Conference, why not learn more about public health in Dublin neighbourhoods? Join the pre-conference **Assessing health needs: a public health diagnosis of two Dublin communities**, Wed 8 Nov, 13:30-17:00. Health needs assessments do not always reflect the actual health needs of the population. In two pilot projects in deprived neighbourhoods in Dublin, researchers worked with community members to identify the community's real felt health needs and assets.

This pre-conference can be booked when registering for the main conference. Or if you are already registered you can add the pre-conference to your registration by sending an email to [registration@ephconference.eu](mailto:registration@ephconference.eu). Registration fee is only EUR20 (inclusive network buffet lunch and refreshments).

### NEW DIRECTOR EPH CONFERENCE AND EUPHA

We are delighted to introduce Charlotte Marchandise as the new EPH Conference and EUPHA Executive Director.

*"Thrilled to embark on this new journey with EUPHA, advocating for this essential association, championing the perspective that health is a political choice necessitating equity-focused and intersectoral action based on cutting-edge evidence. I am looking forward to working with all its members and partners towards impactful initiatives in the times ahead."* - Charlotte Marchandise

Charlotte Marchandise is an international expert, trainer, and policy advisor specializing in Health, Climate, and Democracy. She has been working closely with organizations, cities, and countries to provide support and guidance in developing effective strategies that not only speak to present needs but also forecast future requirements, towards achieving the Sustainable Development Goals. ### EUPHAnxt Podcast at EPH2023

As always, EUPHA will be active at the Conference. Through its Members, **EUPHAnxt**, Sections and Working Groups, EUPHA will (co-)organise a total of 109 sessions: a plenary, a lunch symposium, 13 pre-conferences, 63 workshops and round tables and 31 Join-the-Network meetings. To stay on top of all these exciting events, please follow and use #EUPHAatEPH2023 and #EPH2023 hashtags on LinkedIn, X (formerly Twitter) and Facebook. During the Conference, please also keep your eyes (and ears) on the **YUPT podcast** (Yesterday's Updates and Plans for Today), brought to you daily by EUPHAnxt Fellows, the next generation of public health professionals. Stay in touch and see you in Dublin!

### LATE BREAKER

Late breaker: **Climate change is a health emergency**, organised by EPH Conference, EUPHA. Fri 10 Nov, 12:50-13:50, room Liffey B. As climate change accelerates, the health impacts on the most vulnerable populations become increasingly pronounced and alarming. Extreme weather events, disrupted ecosystems, and changing disease patterns are affecting the health and well-being of people worldwide.

### REGISTRATION

More than 2,200 colleagues have already registered. Don't wait until the last moment and join your peers at the largest annual public health event in Europe. Delegates from Ireland, students, trainees and colleagues from low- and middle-income countries benefit from reduced registration fees. Onsite registration in Dublin is also possible (payment by credit card only).
