

17TH EUROPEAN PUBLIC HEALTH CONFERENCE, LISBON, PORTUGAL
PRE-CONFERENCES 11 - 12 NOVEMBER 2024 - MAIN CONFERENCE 13 - 15 NOVEMBER 2024

SAILING THE WAVES OF EUROPEAN PUBLIC HEALTH: EXPLORING A SEA OF INNOVATION

PRE-CONFERENCE PROGRAMME

We have added two more pre-conferences to our programme on Tuesday 12 November:

Best practices in EU-wide projects contributing to achieving the objectives of EU Health policies The European Health and Digital Executive Agency (HaDEA) and Joint Action on increasing the capacity of National Focal Points (NFPs) bring together different actions funded under the EU4Health and Horizon programmes. The focus is on prevention of non-communicable diseases, including cancer, and on vaccination.

Empowering change: advocacy strategies and tools for early career professionals, organised by EUPHAnxt and EuroNet MRPH.

Young Researchers' Forum (YRF), organised by ASPHER and EUPHA.

These pre-conferences and others can be booked when registering for the main conference. You can also add a pre-conference to your existing registration by sending an email with your preferred pre-conference to registration@ephconference.eu.

Other pre-conferences deal with thematic fields as cancer prevention; health literacy; European Health Data Space; Artificial Intelligence; social security, work and health; digital health; strategic foresight methodology; behavioural and cultural insights; prevention and preparedness; syndromic surveillance systems; enhancing your writing skills; and future health scenarios. Detailed information [here](#).

THEME AND PROGRAMME

The theme of this year's EPH Conference **Sailing the waves of European public health: exploring a sea of innovation**, reflects our collective journey. Just as explorers once set out from Lisbon to discover new worlds, we as public health professionals are embarking on a journey of innovation and discovery in our own field. We aim to push the boundaries, discover new approaches and chart the course for the future of public health in Europe. The focus of our journey will be on:

- **Artificial Intelligence in Public Health.** Organised by WHO Regional Office for Europe, European Observatory on Health Systems and Policies.
- **Global Health:** do European public health efforts contribute to global health solutions? Organised by EUPHA and ASPHER.
- **Tackling health inequalities in times of crisis:** looking at innovative strategies that can be employed to reduce disparities and ensure equitable access to health care. Organised by EuroHealthNet.
- **One Health in Europe: from concept to practice.** Organised by European Commission and ECDC. With **Sandra Gallina**, Director General for Health and Food Safety, European Commission; **Stef Bronzwaer**, European Food Safety Authority, Cross-Agency One Health Task Force; **Susana Pombo**, Chief Veterinary Officer, Portugal and President World Organisation for Animal Health.
- **Harnessing social marketing for interdisciplinary health management: enhancing public health outcomes:** presenting innovative campaigns, digital and community engagement techniques to promote healthier behaviours. Organised by EHMA.
