

17TH EUROPEAN PUBLIC HEALTH CONFERENCE, LISBON, PORTUGAL
PRE-CONFERENCES 11 - 12 NOVEMBER 2024 - MAIN CONFERENCE 13 - 15 NOVEMBER 2024

SAILING THE WAVES OF EUROPEAN PUBLIC HEALTH: EXPLORING A SEA OF INNOVATION

NOTICE: MAIN CONFERENCE FULLY BOOKED

We have partially closed registration for the EPH Conference since we have reached the maximum number of people allowed in the CCL with 3,000 delegates. Registration for the full main conference is no longer possible. Also not onsite in Lisbon. THERE IS NO WAITING LIST. Please do not contact registration about this. Registration for pre-conferences, day registrations for Friday 15 November and for the Lusofonia Conferencia is still open. Onsite registration for these activities is possible. The 17th EPH Conference will be held at the Lisbon Congress Center (CCL). Click [here](#) for a virtual tour.

PRE-CONFERENCE PROGRAMME

Join us for a pre-conferences on Tuesday 12 November. Add a pre-conference to your existing registration by sending an email with your preferred pre-conference to registration@ephconference.eu.

Access to Vaccination
for Newly Arrived Migrants
AcToVax4NAM

From insight to impact: advancing equitable vaccination across Europe (VACC), organised by RiseVac, RiverEU and AcToVax4NAM projects. This workshop will present the experience and knowledge from three EU co-funded projects which work with marginalized populations to increase vaccination uptake.

Best practices in EU-wide projects contributing to achieving the objectives of EU Health policies (NFP4)
The European Health and Digital Executive Agency (HaDEA) and Joint Action on increasing the capacity of National Focal Points (NFPs) bring together different actions funded under the EU4Health and Horizon programmes. The focus is on prevention of non-communicable diseases, including cancer, and on vaccination.

Exploring the European Health Data Space: a journey guided by the HealthData@EU pilot project (EHDS) This session will showcase how this innovative initiative contributes to unlocking EHDS's potential for secondary health data use.

Young Researchers' Forum (YRF), organised by ASPHER and EUPHA.

Other pre-conferences deal with thematic fields as cancer prevention; health literacy; Artificial Intelligence; social security, work and health; digital health; strategic foresight methodology; behavioural

and cultural insights; prevention and preparedness; syndromic surveillance systems; enhancing your writing skills; and future health scenarios. Detailed information [here](#).
