

## **Cancer Prevention Europe (CPE) European Public Health Pre-conference Workshop**

### **Implement and Prevent: Cancer Prevention Across the Life Course**

**Tuesday 12 November 2023**

**9:00 - 12:30**

*This workshop is developed by the Early Career Network of Cancer Prevention Europe represented by the International Agency for Research on Cancer (IARC/WHO), Imperial College London and World Cancer Research Fund International.*

- 9:00 – 9:10**     **Welcome and icebreaker**  
Kick off the workshop with an interactive icebreaker to set the tone for collaboration.
- 9:10 – 9:30**     **Introduction to workshop goals**
- 9:30 – 10:30**   **Group Activity: identifying cancer prevention challenges**  
We will work in small groups to identify key challenges in implementing cancer prevention strategies across Europe.
- 10:30 – 11:00**   **Coffee Break**
- 11:00 – 11:45**   **Group activity: Developing implementation strategies**  
We will brainstorm and refine strategies to address the identified challenges by drawing on examples from existing health policies across Europe, with a focus on implementing cancer prevention recommendations effectively.
- 11:45 – 12:15**   **Stakeholder mapping and engagement**  
A hands-on session where we will create a stakeholder map and develop strategies for securing buy-in and support for cancer prevention initiatives.
- 12:15 – 12:30**   **Closing remarks and next steps**
