1. Raise your organisation's profile at Lisbon 2024

In November 2024, Lisbon is hosting the 17th European Public Health (EPH) Conference where you can reach over 2 000 international delegates attending a fully packed programme over four days. At the Lisbon 2024 Conference, keynote speakers from international standing and varying disciplines will address a broad range of public health issues.

The Lisbon 2024 Conference offers you exceptional opportunities to network, raise your profile in the public health community and gain valuable access to influential opinion-leaders, policy-makers and researchers.

This high-level event provides the perfect opportunity to network with public health professionals, including researchers, education specialists, policy makers and representatives from international and European organisations.

Becoming a co-organiser, sponsor or exhibitor at Lisbon 2024 will enable your institute or organisation to demonstrate its expertise and showcase its innovative approach and activities, to have visibility with delegates and create new contacts in the European public health community.

3 ■ About us

The 17th European Public Health Conference is organised by the EPH Conference Foundation, a non-governmental and not-for-profit organisation, established at the initiative of the European Public Health Association (EUPHA). Co-organisers of the conference are EUPHA, Portuguese Association for the Promotion of Public Health (APPSP) and Portuguese Association of Public Health Doctors (ANMSP).

EPH Conference Foundation

The mission of the EPH Conference Foundation is to contribute to promoting greater health and well-being for the population in Europe by organising scientific conferences on public health in Europe on an annual basis. The conferences bring together public health professionals, including researchers, education and training specialists and policy makers from across Europe and beyond to develop new thinking and find meaningful solutions for future health challenges.

In organising the conference programme, the EPH Conference Foundation works together in partnership with a wide array of international public health organisations. Over the years, the EPH Conferences, which started as EUPHA Conferences more than 25 years ago, have grown into the largest annual public health event in Europe.

European Public Health Association – EUPHA

EUPHA is an umbrella organisation for public health associations and institutes in Europe. EUPHA is an international, multidisciplinary, scientific organisation, bringing together around 39 000 public health experts for professional exchange and collaboration throughout Europe. EUPHA unites 45 national associations of public health, 27 institutional members, 9 individuals and 2 global members from 47 countries. EUPHA provides a leading scientific and independent voice in the field of public health and health services by building capacity and knowledge in the field of public health and health services and by supporting practice and policy decisions through scientific evidence.

EUPHA is dedicated to working in partnership with European and international intergovernmental and non-governmental organisations as well as with national institutes and organisations that are aligned with EUPHA's values and commitment to improve current and future health in Europe.

About the APPSP

The Portuguese Association for the Promotion of Public Health (APPSP) is an organization committed to promoting Public Health through education, awareness and community outreach.

APPSP was created in 1968 by Professor Arnaldo Sampaio and, since then, its main objective has been to promote Public Health by stimulating and supporting the coordination of activities in the health sector and assisting public services and private institutions, in a spirit of mutual aid, solidarity, and collaboration.

It has also supported research and the dissemination of knowledge in the field of Public Health.

About the ANMSP

The Portuguese Association of Public Health Doctors (ANMSP, Associação Nacional dos Médicos de Saúde Pública) is a network of public health professionals with both scientific and social purposes. ANMSP's mission is dedicated to promoting Public Health, contributing to its advancement in Portugal, and fostering collaboration among public health doctors, by organizing scientific events for its associates.

ANMSP also aims to contribute to policy-making in the country, create inter-institutional partnerships and promote the professional and personal development of its associates. The association was established in 1987 and became a member of EUPHA in 2017.

4. Host city & venue

Lisbon

Welcome to Lisbon, the enchanting capital of Portugal, which has been chosen to host the 2024 EPH Conference. Nestled on the western coast of Europe, this vibrant city is the perfect blend of historical charm and modern innovation, making it an ideal location for exploring cutting-edge public health topics. Lisbon is renowned for its picturesque landscape, rich cultural heritage, and friendly locals. The city's seven hills offer breathtaking views of the Tagus River, while its cobbled streets, adorned with colorful "azulejo" tiles, invite visitors to wander and discover hidden treasures at every turn.

The EPH Conference will be held at the state-of-the-art Lisbon Congress Center, a venue that boasts excellent facilities and sustainable features. Located near the iconic 25 de Abril Bridge and the Belém Tower, the Congress Center offers easy access to the city's most famous landmarks and cultural institutions.

While attending the conference, delegates can enjoy Lisbon's diverse gastronomy, savoring fresh seafood, world-famous "pastéis de nata", and other local delicacies. With its mild climate and abundance of green spaces, Lisbon is the perfect destination for outdoor activities such as exploring the enchanting Sintra or taking a rejuvenating walk along the riverfront.

Join us in Lisbon for the 2024 EPH Conference to share knowledge, create meaningful connections, and experience the warmth and hospitality of this captivating European gem. Together, let us foster a healthier, more equitable future for all.

8 ■ Exhibition at Lisbon 2024

As part of the Lisbon 2024 Conference an exhibition area will be located in the centre of all other conference activities such as plenary and parallel sessions, poster walks and catering area. Apart from being present at the exhibition, there is a wide range of options available to make yourself visible at this exciting conference. An exhibition booth remains the most effective way to demonstrate new products, disseminate information and attract interest from new and existing contacts. From previous EPH Conferences we know that delegates consider the exhibition area an essential feature of the Conference.

9. Code of Good EPH Conference Foundation practice

for the collaboration with partners and commercial contributors

The EPH Conference Foundation is dedicated to clear governance and transparency. The purpose of this code is to organise the relationship between the Foundation and partners and commercial contributors and to provide an ethical and positive approach to co-operation and partnership.

Funds are not acceptable from partners and commercial contributors whose activities include those incompatible with broader public health objectives (for example, tobacco products and arms manufacturers). The acceptability of donations from partners and commercial contributors whose activities are related to the work of the Foundation will be assessed by the Foundation's Executive Board in accordance with the present code (available at www.ephconference.eu).
