ABSTRACT TUTORING PROGRAMME

EPH Conference offers an Abstract Tutoring Programme providing an opportunity for young and less experienced abstract submitters. This programme provides personalized feedback from experienced reviewers and opens on **1 February 2025**. It is especially helpful for researchers with limited access to guidance from colleagues. More information will be announced on [our website](#).

CONFERENCE VENUE

The 18th EPH Conference will be held at the newly renovated Finlandia Hall. The Finlandia hall was created by the world renowned architect Alvar Aalto as a multi-purpose event center and meeting place in the center of Helsinki. Discover more [here](#).

SPECIAL ISSUE EUROHEALTH – LISBON 2024

The latest issue of Eurohealth, titled "Sailing the Waves of European Public Health: Exploring a Sea of Innovation," features reflections from the 17th European Public Health Conference in Lisbon. This edition explores how innovation is transforming public health—from creative policies and social prescribing to cross-sector collaborations and community-led initiatives, with a focus on equity, sustainability, and citizen empowerment. It covers insights from all five plenaries, examining critical themes such as planetary health, digital transformation, and the future of workforce development.

The issue is available on the [European Observatory](#) and [EPH Conference](#) website.
