

**18TH EUROPEAN PUBLIC HEALTH CONFERENCE
11 - 14 NOVEMBER 2025, HELSINKI, FINLAND
INVESTING FOR SUSTAINABLE HEALTH AND WELL-BEING**

EPH Conference 2025 – Join Us in Helsinki

Join us in Helsinki, Finland, from 11 to 14 November 2025 for the 18th European Public Health Conference. This year's theme, "Investing for Sustainable Health and Well-Being," will explore how strategic investments in health can create long-term benefits for individuals, communities, and societies.

Registration opens on 1 April 2025. Take advantage of early bird rates by registering before 15 July 2025. More information, including registration fees, will be available on [our website](#) at the end of this month.

Key Dates

- Registration opens: 1 April
- Abstract tutoring programme deadline: 9 April
- Abstract submission deadline: 1 May
- Notification of acceptance: July
- Early bird registration deadline: 15 July
- Pre-conferences: Tuesday, 11 November
- Main conference: Wednesday, 12 November – Friday, 14 November

Call for Abstracts Now Open

Abstract submission is open until **1 May 2025**, 18:00 CET. Researchers and professionals are invited to submit proposals for:

- Workshops
- Oral presentations
- ePosters

This is an opportunity to present your work at the largest public health conference in Europe and contribute to discussions that shape the future of public health. For more information and to submit your abstract, visit [our abstract submission page](#).

For young and less experienced abstract submitters, we offer an abstract tutoring programme in collaboration with EUPHAnxt. This programme provides personalized feedback from experienced reviewers and is open until **9 April 2025**. It is especially helpful for researchers with limited access to guidance from colleagues. More information is available on [our website](#).

Ferenc Bojan Young Investigators Award

We are excited to announce the Ferenc Bojan Young Investigators Award competition, open to researchers under the age of 30. The top five abstracts will be presented in a special session at EPH 2025, honoring the late Prof. Dr. Ferenc Bojan.

A jury will review all submissions and select the best abstract, with the winner receiving a certificate and free registration for the following year's EPH Conference.

This is an excellent opportunity for young researchers to showcase their work on a prestigious platform and gain recognition in the public health community.

To learn more about the history of the award, visit [our website](#).

Beware of fraudulent websites.

We have been made aware of a fraudulent website falsely claiming to organize a public health conference under our name. The website advertises an event with different dates and locations, but it is in no way associated with the European Public Health Conference or EUPHA.

We urge our community to remain vigilant and only refer to the official EPH Conference website for accurate information. If you receive any suspicious communication or have concerns, please contact the conference team directly via the website.
