

EUPHAnxt Newsletter - May 2019

THANK YOU

for raising awareness of public health
and celebrating healthy populations

**EUROPEAN
PUBLIC HEALTH
WEEK**

European Public Health Week 2019

The first edition of the European Public Health Week was a success! During the week, we had 145 events and activities from 35 different countries. Each day was dedicated to a specific topic. You can find a recap of the days [here](#).

- ✓ Becoming, being and remaining physically active
- ✓ Healthy environments
- ✓ Care4Care
- ✓ Sustainable and healthy diets
- ✓ Youth mental health

Now we need your feedback. In order to organize a better edition in 2020, we would like to know from you what you liked and what could be improved. Please complete the anonymous survey linked below.

Road to #Rome2020 #WCPH2020

From 12 to 17 October 2020 Rome (Italy) will host one of the biggest Public Health events in the world: the World Congress on Public Health. Co-organized by WFPHA, EUPHA and SItI, the WCPH will be an amazing opportunity for students and young professionals to gather together and discuss about the current challenges in Public Health.

A representation from EUPHAnxt was in Geneva, promoting the World Congress close to the busy days of the WHO Assembly... Dr Tedros was there too, and we hope to meet him again in Rome!

Low cost registration is already available!

Visit the official website wcpH2020.com for further information.
