

Privacy by default, security by design. Effects of GDPR on public health research.

WCPH 2020

Gesundheit Österreich
GmbH

What is EUPHA PHMR and how to join this group?

- The European Public Health Association – EUPHA – has 24 sections.
- One of these, the section on Public Health Monitoring and Reporting.
- EUPHA sections focus on specific public health themes, sections are international and open to all public health experts. The goal is to bring together researchers, policymakers and practitioners working in the same field for knowledge sharing and capacity building.

How to join EUPHA PHMR?
