

# Annual report 2022/23

# EUPHA section on Ethics in Public Health (EUPHA-ETH)

### Goals for 2023/24

- 1. Continued collaboration with other EUPHA sections, UK FPH, ASPHER and other partners to advance the discourse, scholarship and practice in public health ethics
- 2. An increased visibility and participation in the 2024 EUPHA conference and other fora.
- 3. Continue to collaborate and support other EUPHA sections and other stakeholders to support their consideration of ethical issues in their activities

## **Collaboration with section members**

Section members were encouraged to collaborate submitting proposals for the EPH2023 conference and to communicate with help of the section among each other to initiate projects on public health ethics.

The section has a steering committee/core group who meets regularly. The section has collaborated and supported initiatives and activities around public health ethics in various countries

### Activities at the EPH conference Dublin 2023
