

EUPHA Section on Food and Nutrition

Activity Plans for 2013

Marts – August: Member survey

November 2013: EUPHA Conference, 13-16 November, Brussels.

Pre-conference: Title: Healthy, Responsible and Sustainable Food and Nutrition Policy.

The pre-conference will facilitate promotion of a statement targeting the EU Commissions in order to make the case for higher priority to be given to nutrition policy within overall policy development.

Conference: A workshop on school food policy and school food interventions

This workshop would aim to discuss and to initiate a project on school food and school food interventions, and the significant impact that these could have on health in Europa.
