- Annual report 2023 - discussion
- Activities during EPHC - discussion
- Working groups and steering committee
- Open topics
- EUPHA conference 2024
- Closing

Brief introduction of the participants

Vladimira Timkova, Francesca Scazzina, Beatrice Biasini, Roosa-Maria Savela, Mphatso Chisala, Dosa Norbert, Mary Rose Sweeney, Zoltan Ungvari, Partos Atalin, Pongor Vince, Major Dávid, Csipo Tosa, Mozes Noemi, Marialaura Bonaccio

Annual report

The annual report and activities of the section are presented and commented. The activity concerning the food-based dietary recommendations are explained and new members to help with the work are invited to join the activities. Also, the President describes the openings concerning the positions of Vice Presidents, Secretary, and Steering committee and invites members to candidate themselves for the positions.

Ideas for workshop activities next year

The plan is to try to present the work on food-based dietary recommendations. Also to continue the work with WHO concerning overweight and obesity.
