

Annual report 2019

EUPHA section on HP (EUPHA-HP)

Goals for 2019

- Increase of membership of 10%
- Translate health promotion to daily health and life (i)
- Uplift health promotion and its uniqueness as a scientific discipline (ii cont)
- Engage health promotion against social injustice, poor health and health inequalities: lobbying, advocating and researching "upstream" interventions for good practice (ii cont)
- Increase visibility of health promotion at the Marseille conference at contributing to the conference with one pre-conference and 1 or 2 workshops.
- Full use of the Twitter channel to increase section members communication
- Strengthen the cooperation with other sections.
- Strengthen the cooperation and exchange with UNESCO-IUHPE- HPForum
- Strengthen the activities to involve young EUPHA members (EUPHANxt)

Collaboration with section members

- Full use of the Twitter channel to increase section members communication
- News letters
