

Annual report 2020

EUPHA section on HP (EUPHA-HP)

Goals for 2020

- We want to accomplish
 - A) an increase in the memberships rates (2017: 2650; 2018: 3016; 2019: 3511)
 - B) improve exchange with members and focus on quality communication and networking among European and global members
 - C) submit joint activities to the 16th WCPH in Rome 2020
- Increase the visibility of health promotion in
 - Research – by disseminating EUPHA HPS activities and taking lead roles in the European Health Promotion Forum and the International Union for Health Promotion and Education as well as within our national and international health promotion research projects
 - Practice – by collaborating specifically with schools and school network and implementing health promotion school concepts in diverse school settings
 - Policy – by starting policy dialogues in 2020 with European Region member states and policy makers with a focus on embedding health literacy within an European health promotion framework
- Work on defining evidence based methods for health promotion together with the European Forum on Health Promotion Research
- Increase the visibility of health promotion at the WCPH in Rome 2020 by providing different formats.
- Continue Twitter use and Social Media to engage with members and the health promotion community
- Strengthen the collaboration with other sections.
- Strengthen the cooperation and exchange with critical NGOs in the field of health promotion such as UNESCO, IUHPE, ISHN, SHE, EHP Forum, AHILA, IHLA, etc.
- Strengthen the activities to involve young EUPHA members (EUPHANxt)

Collaboration with section members

- Full use of the Twitter channel to increase section members communication
- Redefine the activities we share with our members via the Newsletter
- Encourage members to take more responsibility and participate in EUPHA activities
