

Infectious Diseases at the 9th European Public Health Conference

Overview Infectious Diseases Activities

10-12 November 2016

Vienna, Austria

Thursday 10th

8:30-12:00, Hall N1

Pre-conference: Core competences for strengthened public health system preparedness

Organised by:

European Centre for Disease Prevention and Control (ECDC), EUPHA Section on Infectious diseases control and the National Institute for Public Health and the Environment (RIVM), The Netherlands

Chairperson(s):

Massimo Ciotti, ECDC, Sweden
Aura Timen, EUPHA and RIVM, The Netherlands

Speakers:

Michael Stoto, Georgetown University, United States
Silvio Brusaferrero, University of Udine, Italy

Panellists:

Massimo Ciotti, ECDC
Michael Stoto (United States)
Silvio Brusaferrero (Italy)
Carmen Varela Santos, ECDC
Aura Timen, EUPHA and RIVM, The Netherlands
Giacomo Scaioli, EUPHANxt
Chadia Wannous, UNISDR
Robert Otok, ASPHER
Frank Van Loock, European Commission, DG SANTE
Thomas Hoffman, WHO EURO

Moderator

Karl Ekdahl (ECDC)

Registration fee:

This pre-conference is free of charge and includes buffet lunch and refreshments.

13:50-14:50, Room L2

Oral presentations: Communicable diseases preparedness and surveillance

**Ebola preparedness: the need for co-ordination
overarching the public health and curative sector**
Corien Swaan - *The Netherlands*

**Imported infectious diseases among newly arrived
Eritrean refugees in Switzerland**
Afont Chernet - *Switzerland*

**Cost-effectiveness of influenza vaccination of elderly
in Sweden**
Ellen Wolff - *Sweden*

**Screening for tuberculosis among asylum-seekers in
Germany: a systematic review and meta-analysis**
Kayvan Bozorgmehr - *Germany*

**Creating a toolkit for critically appraised,
evidence-based information on Ebola Virus Disease**
Maureen Dobbins - *Canada*

Thursday 10th

16:30-17:30, Room L2

Oral presentations: Costs and benefits of infectious diseases control

Chairperson(s):

Michael Edelstein - *United Kingdom*

A microsimulation model forecasting the health care costs associated with increasing MRSA infections

Magdalena Prioux - *Sweden*

Cost-effectiveness analysis of hepatitis B vaccination to children in Sweden

Ellen Wolff - *Sweden*

The effect of the Ebola Virus Disease on Maternal and Infant Healthcare utilization in Guinea

Alexandre Delamou - *Guinea*

“Doing the right things right”: Benefits of structured quality improvement (QI) in HIV prevention

Christiana Noestlinger - *Belgium*

Increasing subnational commitment for measles and rubella elimination: the role of regional reports

Giovanna Adamo - *Italy*

17:40-18:40, Room L2

Pitch presentations: Evidence and public health practice in infectious diseases control

Chairperson(s):

Silvio Brusaferrò - *Italy*

Available data on immunogenicity and safety of meningococcal B vaccine in children and adolescents

Annalisa Rosso - *Italy*

Fostering flu vaccination among health workers; Forum Theatre and On Site Vaccination in Hospital

Alice Corsaro - *Italy*

Vaccination status and acceptance of medical students. Results of a multicenter study

Karen Voigt - *Germany*

A meta-analysis of Hepatitis B, Hepatitis C and HIV prevalence in prisons of high-income countries

Elisa Camussi - *Italy*

A novel method for a quick detection of legionella in water samples

Daniele Rosadini - *Italy*

Risk factors of Cutaneous Leishmaniasis (CL) caused by *L. tropica*: a case-control study in Palestine

Ikram Salah - *Israel*

Prevention of STI among medical students in Germany and Hungary. Results of a multicenter study

Henna Riemenschneider - *Germany*

17:40-18:40, Room L4

Skills building seminar: All for e-health and e-health for all: How to develop digital innovations for public health?

Organised by:

EUPHA (IDC) and RIVM

Chairperson(s):

Desiree Beaujean - *The Netherlands*

Introduction seminar:

Lex Van Velsen - *The Netherlands*

Wander Kenter - *The Netherlands*

Friday 11th

8:30-9:30, Room L2

Pitch presentations: Anti Microbial Resistance and other burning topics in infectious diseases

Chairperson(s):

Andrea Ammon - (ECDC)

Prevalence of livestock associated methicillin-resistant *Staphylococcus aureus* in farms workers

Valentina Mascaro - *Italy*

Highly resistant microorganisms in the community

Dorien Nieuwenhuis - *The Netherlands*

Surveillance of resistant bacteria in a French Hospital in 2010-2015 using cumulative control charts

Lorenzo Righi - *Italy*

Public's knowledge, behavior, beliefs and risk perception related to antibiotic resistance

Leonie Jansen - *The Netherlands*

Key recommendations for first responders considered essential in outbreak preparedness

Evelien Belfroid - *The Netherlands*

Determinants of patient and health-care system delay in the diagnosis of tuberculosis in Sicily

Annalisa Quattrocchi - *Italy*

Access without cooperation, legality without legitimacy: challenges of field work in prisons context

Sergio Ferreira Jr - *Brazil*

11:10-12:40, Room L2

Workshop: How can institutional preparedness for public health emergencies contribute to “health for all”?

Chairperson(s):

Aura Timen - *The Netherlands*

Karl Ekdahl - *ECDC*

From SARS to H1N1 to Ebola and beyond: learning from experience with institutional responses to public health emergencies

Michael Stoto - *United States*

ECDC support for strengthening capacity for preparedness in the Member States

Massimo Ciotti - *ECDC*

Priorities in preparedness: a strategic approach

Michael Edelstein - *United Kingdom*

Preparedness issues related to leadership

Erik Baekkeskov - *Australia*

How can economic evaluations contribute to institutional preparedness?

Tek-Ang Lim - *France*

Friday 11th

12:50-13:50, Hall E

Extra activities - Lunch symposium: Research, Practice and Policy: All for Health

Organised:
ECDC, EUPHA

Chaired and moderated by:
Karl Ekdahl (ECDC) and Günter Pfaff (EUPHA)

Speakers:

Focus on an example from communicable disease area in bringing research-policy-practice together;
Andrea Ammon, *Acting Director ECDC*

Focus on an example from non-communicable disease area in bringing research-policy-practice together
Gauden Galea, *Director, Division of Non-Communicable Diseases and Promoting Health through the Life-Course, WHO Regional Office for Europe*

Focus on policy at EU level and the link with research and practice
Isabel de la Mata, *European Commission*

Focus on policy at national level
Ricardo Baptista Leite, *Member of Parliament, Portugal, Head of Public Health, Catholic University of Portugal*

Contribution to the network of researchers, policy makers and practitioners in infectious diseases
Aura Timen, *President of the EUPHA infectious disease section: EUPHA-IDC*

Focus on how policy and research influence his practice
Gindrovel Dumitra, *GP from Romania*

The perspective of a policy science researcher on how research-policy-practice should work together – what can we learn from the 2009 pandemic?

Erik Baekkeskov, *University of Melbourne, Australia*

14:00-15:00, Hall L2

Extra activity: Infectious disease control – Join the network

EUPHA Sections are theme-specific networks that organise workshops and projects together. EUPHA Pillars are concerned with general aspects of public health. All EUPHA Sections and Pillars are inviting you to Join the Network and attend their annual meeting. These meetings are open to all delegates so feel free to join the network

16:40-17:40, Room L2

Skills building seminar: Tackling Antimicrobial Resistance: case studies and ethical reflection

Chairperson(s):
Aura Timen - *The Netherlands*
Peter Schröder-Bäck - *The Netherlands*

Dilemmas related to being a carrier of a multidrug resistant organism
Babette Rump - *The Netherlands*

Value based public health practice and its implications for meeting challenges of antimicrobial resistance and communicable diseases
Farhang Tahzib - *United Kingdom*

AMR and the Principle of the Least Intrusive Means
Morten Fibieger Byskov - *The Netherlands*

Saturday 12th

Poster walks, Gallery

8:30-17:00

Poster Display: Health information and infectious diseases

9:40-10:40

Poster walk: Infectious diseases

Chairperson(s):

Gini Van Rijckevorsel - *The Netherlands*

9:40-10:40, Room L8

Workshop: Ageing and Healthpart

Chairperson(s):

Jutta Lindert - *Germany*

Iveta Nagyova - *Slovakia*

Meeting the challenge of ageing and multimorbidity

Andrea Pavlickova - *United Kingdom*

The willingness of older adults to receive vaccination against influenza, pneumococcal disease, herpes zoster and pertussis and the role of the general practitioners

Renske Eilers - *The Netherlands*

Life events and mental health

Jutta Lindert - *Germany*

11:10-12:40, Room L1

Skills building seminar: Knowledge translation in public health: Moving from evidence to policy and practice

Communication in public health

EUPHA (CHR) EUPHA (PMH), EUPHA (IDC)

Chairperson(s):

Aura Timen - *The Netherlands*

Jutta Lindert - *Germany*

Getting research findings into practice and policy: Barriers and bridges to evidence-informed public health

Iveta Nagyova - *Slovakia*

Knowledge translation of health research: Using evidence for policy in health and well-being

Claudia Stein - *WHO EURO*

Prevention and control of noncommunicable diseases (NCDs) through evidence-informed public health

Gauden Galea - *WHO EURO*

Panel:

Claudia Stein - *WHO EURO*

Gauden Galea - *WHO EURO*

Silvio Brusaferrero - *Italy*

David Stuckler - *United Kingdom*

Katarzyna Czabanowska - *The Netherlands*
