

Section meeting

22nd November 2019, Marseille, France

Minutes of the meeting

1. The section president proposed the agenda for the meeting. The agenda was accepted.
2. The section president explained the purpose and objectives of the section
3. 2018 – 2019 activities were shortly reviewed
4. Vice Presidents. The current vice presidents Lucie Laflamme and Mathilde Sengölge had told of their willingness to resign. None of those present were interested in the task. The section president proposed Doupi Persephone, MD, PhD from the Finnish Institute for Health and welfare as Vice President. The proposal was accepted and Persephone Doupi was appointed as the Vice President. Welcome Persephone and thank you Lucie Laflamme and Mathilde Sengölge for all you have done for the section.
5. Section President. It was informed that a new President will be selected in the coming year and officially appointed in the next conference in Rome. Candidate proposals will be asked from section members by e-mail.
6. Proposals for activities for the coming year. The following topics were brought up: traffic injuries, special interest in injuries while cycling or pedestrian accidents, ICD 11 skills building workshop and injuries & social security, national injury prevention and safety promotion policies & programmes. It was considered important to intensify cooperation with WHO EURO.

3.12.2019

Anne Lounamaa

Section President
