

Workshop Health Policy, Ljubljana, Slovenia EPH Conference 2018

The Workshop “European and international public health policy-making: The case of health literacy” was co-organized by the Bielefeld University in Germany and the Public Health Practice and Policy section of EUPHA and took place during the European Public Health Conference 2018.

This workshop offered a forum for researchers, practitioners and policy-makers interested in public health policy making with a specific focus on health literacy and allowed for discussing results, facilitate exchange, and support further synergies.

The presentations given at this workshop can be consulted in the links below:

- [Health literacy policy to promote public health in Europe](#)
