

WELCOME to the 1rd Newsletter 2019

of the Public Mental Health Section of the European Public Health Association

Safe the date!

2nd INTERNATIONAL PUBLIC MENTAL HEALTH CONFERENCE

The 2nd Public Mental Health conference will be held in Jerusalem, Israel, June 18th- June 21st. All section members are very welcome. The conference program is attached.

The topic of the conference focusses on resilience – including recent developments in research, practice and theory.

There is still time to submit your abstract and get a great audience for your research! The conference program is attached.
