

Annual report 2013, Section of Social Security and Health

Participation in the EUMASS Scientific council for planning of the EUMASS conference in Stockholm 2014

At the EPH conference in Brussels:

- 13 November: arranged a full-day (8:30-21:00) pre-conference at the EPH conference on the theme "How to gain knowledge in consequences of being sickness absent or on disability pension?". This was the 11th pre-conference we arranged!
- 15 November. An annual meeting was held.
- Several sessions and poster sessions during the EPH conference at Brussels

Communication with members through e-mails etcetera.

The Section president was the chair of the Section Council, and thus also included in the Executive Council and the Governing Board of EUPHA. Prepared and lead the first EUPHA Section Council retreat, covering two days in June. Introducing a mean for evaluation of sections. The section tried out the evaluation instrument.

Together with the EUPHA office involved in rearranging and updating the Section website, where now also PowerPoint presentations from pre-conferences and workshops arranged by the section is included.

The president scored abstracts and workshops submitted for the EPH conference.

Lead of the WP 4 of the PHIRE project: different activities, including finalizing the project and writing reports and other publications.

Several international research collaborations have been initiated within the section and are currently ongoing.
